## Description

A strong immune system is critical to maintaining good health. With Vitamin C, Magnesium, Zinc, and Vitamin D, On Guard Immune Chewable Tablets can help support healthy immune function, energy metabolism and the development and the maintenance of bones. NPN 80121204

On Guard Immune Chewable Tablets are vegan-friendly and free of gluten, sugar, and artificial sweeteners. Flavoured with the fortifying taste of On Guard® essential oil blend, they taste great and are super easy to take on the go! Perfect for the family and easy to consume, On Guard Immune Chewable Tablets provide a convenient immune boost anytime, anywhere.

## Directions

**Adults and Adolescents 12 years and older:** Take three (3) chewable tablets a day with food, a few hours before or after taking other medications or natural health products.

## Cautions

Consult with a healthcare practitioner prior to use if you are pregnant or breastfeeding. Stop use and consult a healthcare practitioner if symptoms of digestive upset (e.g. diarrhea) occur, worsen, and/or persists. Do not use if you are taking antidepressants such as monoamine oxidase inhibitors (MAOIs). May cause migraine-like headaches in sensitive individuals. Do not take if you have intestinal/bowel blockage. Should hypersensitivity/allergy occur, discontinue use. Do not use if safety seal is broken.

## Ingredients
