

CPTG Certified Pure Tested Grade®

PB Assist+® | 30 Vegetable capsules

60215954

Primary Benefits

- + Source of probiotics
- + Helps support intestinal/gastrointestinal health
- + Could promote a favourable gut flora

Description

PB Assist+ is a proprietary formula of six probiotic strains in a unique double layer capsule. This convenient, effective, naturally sourced probiotic was specifically designed to help support your gastrointestinal health. With its double capsule delivery system, PB Assist+ dissolves after reaching the stomach, delivering its benefits where they are needed most.

NPN: 80103865

Why should I add PB Assist+ to my collection? Because of its double layer coating, PB Assist+ delivers its gastrointestinal benefits to the intended targeted areas. When taken as directed this naturally sourced probiotic supplement can help promote a favourable gut flora, keeping your stomach regular and supporting your overall wellness.

Directions for Use

Take one double-layer capsule three times daily with food for 10 days each month.

Cautions

Consult a health care practitioner/health care provider/health care practitioner/doctor/physician prior to use if you have fever, vomiting, bloody diarrhea or severe abdominal pain. Stop use and consult a health care practitioner/health care provider/health care practitioner/doctor/physician if symptoms of digestive upset (e.g. diarrhea) occur, worsen, and/or persists beyond 3 days. Do not use this product if you have an immune-compromised condition (e.g. AIDS, lymphoma, patients undergoing long-term corticosteroid treatment).
