dōTERRA PB Restore® | 30 Capsules

60226862

Primary Benefits

- + Source of probiotics
- + Helps support intestinal/gastrointestinal health
- + Could promote a favourable gut flora

Description

dōTERRA PB Restore is a unique formulation of close to 30 pre-, pro-, and postbiotics and bacteriophages that help support your intestinal and gastrointestinal health and provides a source of probiotics. This foundational supplement features an innovative dual-chamber capsule that helps maximize its effectiveness and provides optimal delivery of its active benefits. When added to your daily routine as directed, dōTERRA PB Restore can also promote a favourable gut flora, which can help support your wellness goals every day and beyond.

dōTERRA PB Restore is registered as a natural health product (NHP): NPN 80142776.

Directions

(Adolescents and adults 12 years and older): Take 1 capsule per day. Take at least 2-3 hours before or after antibiotics.

Cautions

Consult a health care practitioner/health care provider/health care professional/doctor/physician prior to use if you have fever, vomiting, bloody diarrhea or severe abdominal pain. Stop use and consult a health care practitioner/health care provider/health care professional/doctor/physician if symptoms of digestive upset (e.g. diarrhea) occur, worsen and/or persists beyond 3 days.

Contraindication(s): Do not use this product if you have an immune-compromised condition (e.g. AIDS, lymphoma, patients undergoing long-term corticosteroid treatment).
