## PRODUCT DESCRIPTION

Meet Pilōt™, the portable diffuser that can go everywhere you do! Take it with you in the car, to work, or from room to room. Wherever you go, the Pilōt™ is standing by, ready to diffuse your favorite essential oils. Also made from eco-friendly materials, you couldn't ask for a more responsible companion.

The Pilōt™ diffuser is portable and rechargeable, so you don't have to worry about finding a nearby plug. Choose between two mist settings: four hours continuous or up to eight hours of intermittent diffusion. This diffuser is ready to help with even your longest days or nights. Taking Pilōt™ with you is easier than ever with the included dual-port USB 2A car adapter and classy carrying case.
