**Tamer™** | TummyZen Blend 10 mL Roll-on

**60210258**

## Primary Benefits

- + Has a sweet, minty, comforting aroma
- + Provides a soothing scent during an abdominal massage
- + Gentle on sensitive skin

## Product Description

Made for children and adults of all ages, Tamer TummyZen Blend thoughtfully combines the unique benefits of essential oils including Spearmint, to uplift and invigorate the senses; Japanese Peppermint, with menthol to soothe and cool skin; and Ginger, with its settling aroma, all perfectly blended with Fractionated Coconut Oil. With its gentle formula, bright packaging, and easy-to-apply roller bottle, Tamer essential oil blend is kid friendly and adult approved.

Why should I add Tamer essential oil blend to my collection? Tamer TummyZen Blend is a synergistic, mellow blend of mint and spice essential oils known for their soothing aromatic benefits. Tamer has a soothing, comforting scent that is enhanced through topical use. With its convenient, roll-on design and pre-diluted base of Fractionated Coconut Oil, Tamer blend glides gently on your child's skin for smooth, mess-free application, on-the-go.

## Uses

### Cosmetic

- + Apply Tamer oil to your stomach after a large meal for a soothing abdominal massage.
- + Take Tamer oil on a road trip for a stimulating, sweet aroma.
- + Send Tamer in your child's backpack for a comforting aroma at any point during the school day.

## Directions for Use

**Aromatic Use:** Roll on to diffusing jewelry, natural dolomite, or lava diffusing rocks.

**Topical Use:** Apply to desired area. Intended for use with adult supervision.

## Cautions

For external use only. Apply to desired area. Intended for use with adult supervision. Keep out of reach of children under 3. Possible skin sensitivity. If under a doctor's care, consult your physician. Keep out of eyes, inner ears, mouth, and sensitive areas.
