## Description

TerraZyme is an exclusive blend of digestive enzymes that support the proper digestion of proteins and carbohydrates. NPN 80077027

### Natural Health Product Use

Digestive aid. Digestive enzymes. Helps digest proteins. Helps reduce gas production/flatulence following a meal rich in fermentable carbohydrates (such as vegetables, pulses/legumes/beans and whole grains). Helps prevent gastrointestinal intolerance of oligosaccharides/fermentable carbohydrates.

## Directions

Take 3 capsules per day with first bite of food/meal. For prolonged use, consult a healthcare practitioner.

## Cautions

Consult a health care practitioner prior to use if you are pregnant or breastfeeding, have diabetes, a peptic ulcer, excess stomach acid, a gastrointestinal lesion/ulcer, anaemia, or gallstones, are taking an anticoagulant/ blood thinner or an anti-inflammatory, or are having surgery or experiencing acute abdominal pain. If symptoms of gastrointestinal intolerance persist or worsen, consult a health care practitioner. If you have allergy to latex or fruits (such as avocado, banana, chestnut, passion fruit, fig, melon, mango, kiwi, pineapple, peach, and tomato), consult a health care practitioner prior to use. Do not use if you are allergic to plants of the Apiaceae/Carrot family. Headaches, heartburn, bloating and hypersensitivity/allergy have been known to occur, in which case, discontinue use.
