

CPTG Certified Pure Tested Grade®

TriEase® Softgels (NHP) | 60 Softgels

49311813

Primary Benefits

- + Provides support while traveling or at home during every season
- + Traditionally used in Herbal Medicine to aid digestion, help relieve flatulent dyspepsia, and help relieve nausea and vomiting (Peppermint)

Description

Encapsulated in a tapioca softgel, TriEase can be easily used when on the run, traveling, or spending time outdoors. Peppermint, one of the main ingredients in this blend, is known in traditional medicine to aid digestion and help relieve nausea and vomiting, providing this specialized supplement with its key benefits. Although it's especially useful to have them on hand during shifts in the seasons, TriEase Softgels are ready to deliver targeted benefits during every time of year.

Uses

- + Traditionally used in Herbal Medicine to aid digestion (stomachic), help relieve flatulent dyspepsia (carminative) and help relieve nausea and vomiting.

Directions

Take 1 softgel per day.

Cautions

Consult a health care practitioner prior to use if you are pregnant or breastfeeding, have anaemia, gallstones, hiatus hernia or gastroesophageal reflux, or if symptoms persist or worsen. Some people may experience gastroesophageal reflux. Hypersensitivity (e.g. allergy) has been known to occur; in which case, discontinue use.

Key ingredients

- + Lemon Peel
- + Lavender Flower
- + Peppermint Plant
