dōTERRA® | CANADA

Product Information Page

**CPTG** Certified Pure Tested Grade®

---

**Turmeric Dual Chamber Capsules** | 60 Softgels

**60210250**

---

## Primary Benefits

- + Source of antioxidants and provides antioxidants.
- + Helps fight and protect (cell) against or reduce the oxidative effect or the oxidative damage caused by cell damage or caused by free radicals.

## Description

Derived from a member of the ginger family and a key botanical in the traditional Ayurvedic practices of India, Turmeric essential oil and Turmeric extract have a long history that has inspired many modern uses of Turmeric today. dōTERRA is the first to combine CPTG Certified Pure Tested Grade® Turmeric essential oil and Turmeric extract in a dual chamber capsule, creating a unique synergy of compounds in order to maximize their effectiveness and benefits. Along with a healthy diet, regular exercise, and good sleep, Turmeric Dual Chamber Capsules act as a one-two punch source of antioxidants to support against the oxidative effects and cell damage caused by free radicals.

NPN: 80099554

**Why should I add Turmeric Dual Chamber Capsules to my collection?** The dual chamber capsules are truly unique because they combine key ingredients together in one convenient delivery system. When taken as directed, the Turmeric Dual Chamber Capsules provide antioxidants to help protect against or reduce oxidative or cell damage caused by free radicals.

## Directions

Take 2 capsules, one time per day. Consult a health care practitioner for use beyond 3 months.

## Cautions

Consult a health care practitioner prior to use if you are pregnant or breastfeeding, taking medication for diabetes, antiplatelet medication or blood thinners, or if you have gallstones, a liver disorder, a bile duct obstruction, stomach ulcers or excess stomach acid. Gastrointestinal tract irritation and discomfort (e.g. nausea and vomiting) and/or hypersensitivity/allergy have been known to occur, in which case, discontinue use. Keep out of reach of children.
