

Application: I

Veggie Caps | 160 capsules

60226365

Primary Benefits

- + Free of preservatives, gelatin, wheat, sugar, starch, dairy, and animal products
- + Made of inert vegetable ingredients that do not interfere with digestion
- + Includes 160 HPMC capsules

Description

Vegetable-derived HPMC food-grade capsules allow you to take dōTERRA natural health products approved for internal use, such as Peppermint oil (NPN 800614370), according to its directions for use. Formulated to be free of preservatives, gelatin, wheat, sugar, starch, dairy, and animal products, these capsules are made of inert vegetable ingredients that allow easy absorption and do not interfere with digestion.

Directions

Always follow the directions of natural health products specifically approved for use with dōTERRA Veggie Caps. Fill with desired ingredients and consume. It is not recommended to pre-fill capsules for future use as the properties of the essential oils will compromise the vegetable capsule.

Storage: Store in a cool, dry place

Cautions

Only use with Natural Health Products approved for internal use with dōTERRA Veggie Caps.

Ingredients

Hydroxypropyl Methylcellulose
