PRODUCT DESCRIPTION

Powerful and uniquely refined, Volo is the perfect addition to enhance any environment with the aromatic benefits of CPTG® essential oils. With two uniquely crafted options, Volo Marble and Volo Onyx complement any home or office decor.

The beautiful dōTERRA Volo Ultrasonic Diffuser comes in two sleek color finishes, onyx and marble, perfect for any room in the home or office. The Volo has a handcrafted polyresin stone top with a custom diamond pattern and features three optional light settings: light-free, warm, and bright amber ambient. This unique diffuser has a customizable mist output with multiple time settings—one, three, six, or 14 hours—allowing the ability to customize the release of CPTG Certified Pure Tested Grade® essential oils into the air.

**See diffuser manual for cautions and instructions.*
