Description

Glow from head-to-toe with the synergy of Yarrow essential oil and cold-pressed Pomegranate seed oil. Yarrow|Pom Body Renewal Serum sets the new standard for healthy-looking, radiant skin. It features this active botanical powerhouse combined with other Certified Pure Tested Grade® essential oils, botanicals, and plant extracts in a luxuriously silky, full-body serum packed with powerful bioactive compounds and proteins. Yarrow essential oil revitalizes aging skin while Pomegranate seed oil supports the skin's natural barrier by helping to slow the normal breakdown of skin proteins that occur with aging. CPTG essential oils Roman Chamomile, Yuzu, Peppermint, and Cananga soothe skin and offer a positive, relaxing aroma. Avocado oil protects the skin's moisture level by reducing water loss for smoother, more youthful-looking skin. Jojoba, Sunflower, Grape, and Argan Kernel oils provide deep moisturizing benefits to help reduce premature signs of aging. Coffee Seed Extract and Pomegranate esters help enhance skin luminosity and improve the appearance of firm skin for that smooth, vibrant radiance we all desire.
