PRODUCT DESCRIPTION

Ylang Ylang essential oil is derived from the star-shaped flowers of the tropical Ylang Ylang tree and is used extensively in making perfumes. Similar to Jasmine, Ylang Ylang has been used for centuries in religious and wedding ceremonies. A sweet, floral essential oil, Ylang Ylang uses nourishing properties to benefit skin and hair, while providing a soothing aroma. Ylang Ylang is frequently used in luxurious hair and skin products for its scent and nourishing properties. Ylang Ylang blends well with Bergamot, Geranium, Grapefruit, and Vetiver.
