

The Amavi Gift Set

INTRODUCING THE NEW dōTERRA AMAVI™ GIFT SET*

Have you ever asked the men in your life what their ideal day would look like? Many men would say that the best type of day for them would be one that is free of to-do lists, deadlines, and rushing around. The dōTERRA Amavi™ Gift Set has been created to help men to take care of themselves, to slow down, and to appreciate life.

This new limited-time kit includes the dōTERRA Amavi™ Touch blend, Onyx Balance Bath Bar, dōTERRA Amavi™ Aftershave Lotion, Shave Brush, Sisal Wash Cloth, and Mixing Bowl with Spatula.

The name “Amavi” comes from the Latin phrase “Veni, Vidi, Amavi” which translates as “I came, I saw, I loved.” The expression encapsulates the idea that life is a journey to be experienced and that joy can be found in all things.

dōTERRA Amavi™ Touch

This unique blend includes the essential oils Buddha Wood, Balsam Fir Wood, Black Pepper Fruit, Hinoki, and Patchouli. Buddha Wood oil is currently exclusive to the dōTERRA Amavi™ blend and is the only way to experience the unique aroma of Buddha Wood from dōTERRA. The grounding aroma of Amavi works with each individual’s chemistry to calm, uplift, and refocus the mind. The Black Pepper content in Amavi Touch can help to calm feelings.

The blend is also formulated to soothe irritated skin and support its healthy appearance. The wood oils specifically help to calm and soothe, while the herbs help to promote a youthful-looking appearance.

dōTERRA Amavi™ After Shave Lotion

The dōTERRA Amavi™ After Shave Lotion is soothing and calming to the skin. It goes beyond what you would expect from a typical aftershave to offer intense hydration and reduce the appearance of blemishes for a smooth complexion. An added bonus is that it also promotes firmer-looking, youthful skin. It helps to reduce the signs of aging and the appearance of wrinkles.

Similar to the Touch blend, the essential oils used in the After Shave Lotion are Buddha Wood oil, Tea Tree oil, Balsam Fir, Peppermint oil, and Litsea Cubeba Fruit Oil. The formula is lightweight, non-greasy, and absorbs quickly into the skin. It is ideal for use each morning after shaving and at night before bed.

Onyx Balance Bath Bar

This raw handmade-looking bath bar includes the ever-popular dōTERRA Balance™ blend. The Onyx Balance Bath Bar is an African black soap made from plant-derived ingredients with naturally occurring vitamin E. It includes a unique combination of shea nut butter, coconut oil, and palm kernel oil.

While some bath bars can seem to dry out the skin, thanks to the moisturising ingredients the Onyx Balance Bath Bar will invigorate and refresh your whole body for a deep cleansing experience. Outside of the shower, the bar is also ideal to use for a perfect close shave.
