• As you change lives for the better and build your dreams, how do you want to celebrate when you reach your goals?

• Why do you want to build your dōTERRA business? Why is that important to you?

• Make it a habit to communicate regularly and let me know when you need support or have questions or concerns. What is your preferred method of communication? How do you prefer to be supported as we follow up with expectations?

• There may be times when you become discouraged or uncommitted. I will know this is happening if you start making excuses, stop calling or responding, enrolling or engaging. When this happens (and it will—it happens to everyone), how would you like me to respond?

• What are you willing to commit to daily to nurture your development?
