PRODUCT DESCRIPTION

Alpha CRS™+ is intended to help your inner system function optimally. A proprietary combination of standardised botanical extracts, including potent doses of powerful polyphenols makes it unique. The specialised formula of Alpha CRS+ has been designed to support the building blocks of your body's inner network. Alpha CRS offers the optimum benefits to allow us to nourish ourselves from within.

USES

- Although a wonderful addition to your routine, food supplements must not replace a varied and balanced diet and healthy lifestyle.
- Read all caution and warning statements before use.
- Do not exceed the recommended dosage.

DIRECTIONS FOR USE

Recommended dose (Adults): Take 4 capsules per day, with food.

CAUTIONS

Keep out of reach of children. Do not exceed recommended daily dose. Food supplements must not replace a varied and balanced diet and healthy lifestyle. Should not be consumed by pregnant or lactating women and children below 18 years old. People with known medical conditions should consult a physician before using. Not recommended for children under 12. Should not be consumed if you are consuming other products containing green tea on the same day. Should not be consumed on an empty stomach. Not recommended for people on anticoagulants.

Allergens: See ingredients in bold. Store in a cool, dry place.
