KEY INGREDIENTS AND BENEFITS

- Promotes wellness
- Contains a proprietary blend exclusive to dōTERRA that includes powerful polyphenols
- Combines natural botanical extracts

PRODUCT DESCRIPTION

dōTERRA Alpha CRS+ is a proprietary formula that combines potent levels of natural botanical extracts. Alpha CRS+ is formulated to be used daily with xEO Mega or vEO Mega and Microplex VMz to promote wellness.

USES

- Although a wonderful addition to your routine, food supplements must not replace a varied and balanced diet and healthy lifestyle
- Read all caution and warning statements before use
- Do not exceed the recommended dosage

DIRECTIONS FOR USE

Recommended dose (Adults): Take 4 capsules per day, with food.

CAUTIONS

Keep out of reach of children. Do not exceed recommended daily dose. Food supplements must not replace a varied and balanced diet and healthy lifestyle. Pregnant or nursing women and people with known medical conditions should consult a physician before using. Do not take on an empty stomach, during a strict, low-calorie diet and not together with other products based on green tea. Consult your physician or pharmacist if you are taking concomitant anticoagulant medications. The product is not recommended for people taking anticoagulants. Inform your doctor/pharmacist in case of administration of anti-bleeding medications. Not intended for children. Store in a cool, dry place.
