PRIMARY BENEFITS

- May help to hydrate and soften.
- Effortless application.
- Allows for easy application of essential oils.

PRODUCT DESCRIPTION

Colourless and odourless, dōTERRA Body Oil is intended to be blended with your favourite essential oils to create a customised experience. Made with a unique blend of oils, including passion fruit, jojoba, baobab, moringa, and sunflower oils, dōTERRA Body Oil may help to keep skin smooth and hydrated. This nourishing and replenishing oil is lightweight, yet penetrating, making it ideal for use in professional or DIY massage settings. Use it in the bath, after a shower, or for direct application to dry areas of the skin.

USES

- Create a customised massage oil.
- Add a few drops to bath water.
- Use after a bath or shower.
- Apply to dry areas like elbow and knees.

DIRECTIONS FOR USE

Use as a light carrier oil for topical applications of CPTG™ essential oils as part of a massage or as a daily overall body moisturiser. Dilute one part essential oil to five parts or more of the carrier oil blend depending on sensitivity, or as directed on essential oil label.

CAUTIONS

For external use only. Keep out of reach of children. Consult your doctor if pregnant or in treatment. Avoid eyes, inner ears, and sensitive areas. Store in a cool, dry place.
