- Add water and essential oils without having to remove any lids or cover.
- Low noise level.
- Automatic safety shut-off.
- 2-year warranty.
- Dimensions: 15 x 27 cm.
- Water Capacity: 1.8 l.

PRODUCT DESCRIPTION

The dōTERRA Dawn™ Aroma-Humidifier is designed to create the ultimate level of comfort in any room. Its smart sleep mode maintains ideal humidity levels throughout the night, helping create the perfect environment for a good night's sleep.

HOW TO CLEAN

Cleaning is a necessary step to ensure that oil residue doesn't build up in your machine, preventing it from working properly. Periodically, it is a good idea to run your diffuser through a cleaning cycle. If you use your unit every day, then running a cleaning cycle monthly is a good idea.

To do so, do the following:

1. Fill your humidifier half way with clean water.
2. Add 10 drops of white vinegar.
3. Let the humidifier run for about 5 minutes to allow the water-vinegar mixture to disperse throughout the unit and clean it.
4. Drain the diffuser completely.
5. Using a cotton swab dipped in vinegar, clean the tight spots and corners of the humidifier.
6. Rinse with clean water.
7. Use a dry cloth to wipe the humidifier and dry it thoroughly.
