## PRODUCT DESCRIPTION

A combination of Rosemary from Spain - which is high in camphor - Japanese Mint, Star Anise, Peppermint, and Tea Tree work together to help cool the skin. The addition of Copaiba's properties to support healthy-looking skin combines with Bergamot Mint's ability to soothe and calm. These essential oils provide comfort to the back, legs, and feet, especially after an intense workout.

## USES

- Rub on fingers, wrists, shoulders and neck after a long workday.
- Apply to feet and knees before and after exercise for an invigorating and cooling effect.
- Whether you work out a few times a week or practically live at the gym, keep Deep Blue Rub in your gym bag for targeted support at a moment's notice.
- Massage onto lower back after a long day.

## DIRECTIONS FOR USE

Massage lotion into affected areas. For external use only.

## CAUTIONS

Possible skin sensitivity. Avoid contact with eyes. Do not use on wounds or damaged skin. Keep out of reach of children.

## ADDITIONAL INFORMATION

Batch number can be found on product.

Period after opening is 12 months.

Expiration date can be found on product.

## PRIMARY BENEFITS

- Formulated with the Deep Blue proprietary blend of essential oils and other powerful ingredients.
- Blended in a base of moisturising emollients that leave your skin feeling soft without any greasy residue.
- Designed to help soothe, relax and naturally comfort problem areas.
- Deep Blue Rub helps lessen tension and provides targeted, soothing comfort.
