## PRIMARY BENEFITS

- The soothing combination of CPTG Certified Pure Tested Grade essential oils helps lessen tension
- Deep Blue provides soothing effects that bring relief to joints and cool muscles
- Creates a warm, tingly sensation when applied to the skin to provide targeted comfort
- Apply as part of a soothing massage after a long day for rejuvenating effects
- Deep Blue diluted with Fractionated Coconut oil and packaged in a convenient roll-on bottle for everyday support

## PRODUCT DESCRIPTION

Deep Blue Touch brings together eight essential oils known to comfort and cool joints and muscles. Wintergreen, Camphor, Peppermint, Ylang Ylang, Helichrysum, Blue Tansy, Blue Chamomile, and Osmanthus work together in a base of fractionated coconut oil to soothe the body. These essential oils provide rejuvenating benefits and comfort to the back, legs, and feet.

## USES

- Use Deep Blue oil in a massage to benefit from its soothing and cooling properties
- Apply to feet and knees before and after exercise for an invigorating and cooling effect
- After long hours on the computer, rub Deep Blue essential oil blend on your fingers, wrists, shoulders, and neck
- After completing a long run, apply to desired areas and massage; may dilute with additional fractionated coconut oil if needed
- Keep in your gym bag for easy access!
- Massage onto lower back after a long day

## DIRECTIONS FOR USE

**Topical:** For topical use only. Roll on to skin for perfuming and skin care or massage.

## CAUTIONS

Possible skin sensitivity. Keep out of reach of children. If you are pregnant or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas.

\*Naturally occurring oil compounds
