## PRIMARY BENEFITS

- Apply topically to the chest and breathe deeply to enjoy a cooling, invigorating vapour
- Quick, convenient delivery system
- Provides a cooling, soothing effect topically
- Glides on the skin with ease, without leaving a greasy or sticky after-feel

## PRODUCT DESCRIPTION

dōTERRA Air Vapour Stick combines dōTERRA Air proprietary blend and additional ingredients that can invigorate and clear your mind in the most convenient way. This unique delivery method of dōTERRA Air essential oil blend can be used anytime, anywhere to enjoy a cooling, soothing vapour. The ingredients in the vapour stick are formulated to glide on the skin with ease, without leaving a greasy or sticky after-feel. The power of dōTERRA Air essential oil blend can be felt immediately, providing a cooling effect both topically and aromatically.

## USES

- Use before outdoor activity
- Use for a calming effect that promotes rest and relaxation
- Small, convenient package is perfect for days you need added support on-the-go
- Keep next to your bed and apply before going to sleep

## DIRECTIONS FOR USE

Apply to chest and neck area as needed.

## CAUTIONS

Possible skin sensitivity. Keep out of reach of children. If pregnant or under doctor's care, consult your physician. Avoid sunlight or UV rays for at least 12 hours after applying.
