

dōTERRA Rose Hydrosol Mist

100 ml

dōTERRA™ | EUROPE

PRODUCT INFORMATION PAGE

CPTG™

Ingredients: Rosa damascena flower water, Phenethyl Alcohol, Citronellol, Geraniol, Eugenol, Benzyl alcohol, Citral, Linalool, Farnesol.

PRIMARY BENEFITS

- A beautifully-scented spray to refresh the skin and brighten your mood throughout the day.
- Formulated with *Rosa damascena* flower water, it possesses the familiar floral scent of roses.
- A luxurious addition to your daily skincare routine.

PRODUCT DESCRIPTION

Light and refreshing, Rose Hydrosol Mist is the ultimate addition to your skincare. Known for hydrating the skin and supporting a glowing complexion, Rose Hydrosol can be applied to the face, body and hair. Hydrosols offer a ready-to-apply alternative to pure essential oils, making application easy and simple. This mist is produced using *Rosa damascena* plants in Bulgaria.

USES

- Ideal to use on the face, body and hair.
- Apply as part of your skincare regimen to leave skin feeling fresh and prepped for the day ahead.
- As a personal aroma, apply for a light, floral scent and to uplift mood.
- Use in conjunction with Rose essential oil to enjoy the full spectrum of benefits.

DIRECTIONS FOR USE

Spray 20-25 cm from face, body and hair as desired.

CAUTIONS

Keep at room temperature. External use. Possible skin sensitivity. Keep out of reach of children. Avoid eyes, inner ears and sensitive areas.
