- Contains aloe vera, hyaluronic acid, green tea and vitamin E.
- Nourishing, intensely hydrating formula is dermatologically tested and water-resistant.
- Vegan-friendly and reef-safe.

PRODUCT DESCRIPTION

Give your skin loving, extra care following prolonged hours under warm rays with the After Sun Body Spray. The hydrating properties of hyaluronic acid and the soothing qualities of aloe vera combine with the arnica montana flower extract for a deeply moisturising formula. The addition of Copaiba, Lavender, Lemongrass, Peppermint, Japanese Peppermint, Helichrysum, Sandalwood, Blue Tansy, Frankincense and Coriander essential oils offer a fresh and bright, yet grounding and subtle aroma. Packaged inside an aluminium, non-aerosol spray bottle, the product releases a continuous mist for easy, all-over coverage. Love and care for your skin with dōTERRA After Sun.

DIRECTIONS FOR USE

Shake well before use. For Body: Hold can 10 to 15 cm from skin. Spray skin liberally in a continuous motion. Rub in to moisturise skin. For Face: Spray onto hands and rub into face. Do not spray directly on face.

CAUTIONS

Pressurised contents under pressure. Do not puncture or incinerate can. Do not store at temperatures above 50°C. For external use only. Avoid contact with eyes and sensitive areas. Do not inhale spray. Discontinue use if irritation or redness occurs. Caution: Possible skin sensitivity. Keep out of reach of children. Consult your doctor if pregnant or in treatment. Avoid eyes, inner ears and sensitive areas.
