- Easy-to-swallow tapioca softgels for ease.
- GMO, Dairy, Soy and Gluten free.
- 90 softgels | 117 g.

PRODUCT DESCRIPTION

EO Mega+ is a premium blend of omega fatty acids sourced from wild-caught fish off the coast of Norway. It is conveniently available in tapioca softgels and is enhanced with Wild Orange essential oil, which is rich in limonene. Each serving provides 2,000 mg of fish oil, containing 900 mg of essential omega-3 fatty acids, including 800 mg of EPA (eicosapentaenoic acid) and DHA (docosahexaenoic acid). Essential fatty acids are crucial nutrients with exceptional benefits, and since the body cannot produce them alone, they must be obtained through diet or supplementation. With EO Mega+, you can effortlessly close the nutritional gap and enjoy essential omegas on the move, as nature intended.

DIRECTIONS FOR USE

Take 3 softgels per day with food.

CAUTIONS

Keep out of reach of children. Do not exceed recommended daily dose. Food supplements must not replace a varied and balanced diet and healthy lifestyle. Pregnant or nursing women and people with known medical conditions should consult a physician before using.

Allergens: Fish oil.
