PRIMARY BENEFITS

- Promotes a clear-looking complexion with its renewing and restoring properties.
- Designed to improve overall look and feel of skin by helping to reduce the appearance of blemishes.
- Used for its feelings of rejuvenation as a key ingredient in cosmetic products.
- Provides a honey-sweet scent that creates a soothing sensation when applied topically.

PRODUCT DESCRIPTION

The honey-sweet scented Helichrysum oil renews and restores your skin. Also referred to as the Everlasting or Immortal Flower, Helichrysum is commonly used in cosmetic products for its ability to give a rejuvenating appearance to the skin. Helichrysum has been used in herbal health practices since the time of ancient Greece, and the oil is highly valued and sought after for its many benefits. Now combined with Fractionated Coconut Oil in this convenient dōTERRA Touch Blend, Helichrysum can help reduce the appearance of blemishes, and it may promote a glowing complexion.

USES

- Apply topically on the skin to help reduce the appearance of blemishes and skin imperfections that occur naturally over time.
- Apply to the face as a base before applying your beauty routine to promote a glowing complexion.
- Apply topically for a soothing effect after a day in the sun.
- Massage into skin for a calming sensation and pleasant aroma.

DIRECTIONS FOR USE

For topical use only. Roll on to skin for perfuming and skin care or massage.
