

PRODUCT DESCRIPTION

Welcome one of nature's most beloved animals into your home to create a wholesome, friendly environment with this Koala Diffuser. Cute, adorable and lovable, the Koala Diffuser features two ambient light options, four musical settings and five volume levels. The sounds that you choose can fit any situation, whether it's a calming piano lullaby at night or a cheerful birdsong in the morning. When operated continuously, the fine mist can cover a 270ft² room for up to four hours, and intermittently for up to eight hours.

Wherever it lives in your home, the dōTERRA Koala Diffuser will add joy and playfulness to your world.
