PRIMARY BENEFITS

- Creates a distinctive personal aroma using essential oils, absolutes and extracts and sugar-derived alcohol.
- A unique fragrance featuring elegant, exotic floral notes and crisp, resinous wood and leaf characteristics.
- An enticing aroma to experience the refreshing scent of the great forests.

PRODUCT DESCRIPTION

Inspired by the coniferous forests and flora native to Canada's vast boreal landscape, Majestic Lore™ Personal Aroma is an exciting, distinctive dōTERRA original. The scent is reminiscent of lush, green forests, snow-capped mountain peaks and brisk winter mists, and is equally appealing to both men and women. A blend of Certified Pure Tested Grade CPTG™ Black Spruce, Balsam Fir and other captivating wood essential oils merge with the unexpected freshness of Bergamot for a classic and sophisticated aroma that's ideal for day and night time.

USES

- Promote a positive mood by spritzing on skin to enjoy its earthy, fresh aroma.
- Use on pulse points like the wrists, inner elbows, neck or back of the knees.
- Spray all over after showering to lock in the scent.

DIRECTIONS FOR USE

Shake gently before use. Hold bottle upright and spray on the desired area.

CAUTIONS

Avoid sun and UV rays for at least 12 hours after applying product. Flammable until dry. Keep away from flames and heat. Avoid spraying in eyes and sensitive areas.
