 - For maintenance of heart and cardiovascular health.*

*These health claims are still under decision of the EU and EFSA.

PRODUCT DESCRIPTION

As our bodies' natural production of NAD⁺/ NADH (Nicotinamide adenine dinucleotide) and collagen declines over time, our bodily functions are unable to perform to the best of their ability. That's where MetaPWR™ Advantage comes in. It contains nine types of collagen tripeptides from marine sources and NMN (Nicotinamide mono nucleotide) which may contribute to the production of NADH and NAD⁺. Delivered in a tasty, powdered format, take MetaPWR Advantage to fortify your overall body composition from the inside out.

USES

- Use daily along with a whole foods diet and regular exercise for desired results.
- Take in conjunction with the complete MetaPWR™ System to live your most powerful life.
- Read all caution and warning statements before use.

DIRECTIONS FOR USE

Take 1 sachet per day. Add contents of sachet to 150-240 ml of cold or room temperature water. Stir or shake before drinking. Store in a cool, dry place.

CAUTIONS

Keep out of reach of children. Do not exceed recommended daily dose. Food supplements must not replace a varied and balanced diet and healthy lifestyle. Pregnant or nursing women and people with known medical conditions should consult a physician before.

Allergens: Fish collagen.
