PRODUCT DESCRIPTION

Ready to awaken your inner strength and activate a more lively, energetic self? Enter MetaPWR Mito2Max, a supplement created by dōTERRA using the revolutionary MetaPWR™ blend. This supplement is designed to boost energy levels by promoting the body's natural energy production. By incorporating adaptogens, this supplement can help your body adapt to environmental factors that cause fatigue, which may improve your overall quality of life. MetaPWR Mito2Max also contains antioxidant ingredients to provide antioxidant support, which when combined with the other ingredients, aims to boost energy levels, support your body's resilience and contribute to your overall wellbeing.

USES

- Although a wonderful addition to your routine, food supplements must not replace a varied and balanced diet and healthy lifestyle.
- Read all caution and warning statements before use.
- Do not exceed the recommended dosage.

DIRECTIONS FOR USE

Take 2 capsules daily with food. Refrain from using before sleep.

CAUTIONS

Keep out of reach of children. Do not exceed recommended daily dose. Food supplements must not replace a varied and balanced diet and healthy lifestyle. Pregnant or nursing women and people with known medical conditions should consult a physician before using.
