## PRIMARY BENEFITS

- Simplified refilling for foaming hand wash dispensers.
- Enhanced cleansing power with the addition of On Guard™ essential oil blend.
- Formulated with natural surfactants and essential oils for a gentle, everyday wash for all skin types.
- Developed to effectively remove dirt and excess oil, promoting clean and refreshed hands with every use.
- As an even more sustainable solution, the concentrate is also packaged in a plastic-free, aluminium recyclable bottle.

## PRODUCT DESCRIPTION

Treat your hands to the gentle cleaning of On Guard™ Foaming Hand Wash Concentrate. Infused with the spicy citrus scent of On Guard™ Essential Oil Blend, this concentrate has been formulated to help deeply cleanse and be kind to all skin types when diluted. A milder alternative to harsh soaps, this hand wash concentrate leaves hands feeling fresh and clean, removing dirt and excess oil with carefully chosen, natural surfactants and essential oils. Crafted for easy refilling, this product ensures a hassle-free experience when topping up your hand wash dispensers. Maximise effectiveness by following the dilution instructions to ensure the best results.

## DIRECTIONS FOR USE

Recommended dilution, 1 part concentrate to 3 parts purified water. For best performance, use with a foaming hand wash dispenser.

## CAUTIONS

For external use only. Avoid contact with eyes and broken skin. Store out of direct sunlight and excessive heat.
