## PRIMARY BENEFITS

- Double-dipped in On Guard essential oil blend.
- Helps remove plaque and food particles from teeth and gums.
- Leaves mouth feeling fresh and clean.

## PRODUCT DESCRIPTION

Double dipped in CPTG™ On Guard™ Essential Oil Blend, this nylon dental floss helps remove plaque which has been shown to reduce tooth decay. The main action of flossing is a firm but gentle motion for best results. Floss daily as part of your everyday care routine.

## USES

- Keep in your purse or backpack for convenient use wherever your day takes you.
- Use in conjunction with the On Guard product line for best results.
- Use as directed daily to enhance your everyday care routine.

## DIRECTIONS FOR USE

Cut off 30 - 45 cm of floss and wrap it around your middle fingers. Gently glide floss back and forth between teeth and down to the gum line to remove plaque and food. Use after brushing teeth with On Guard Whitening Toothpaste.

## CAUTIONS

Use only as directed. Keep out of reach of children.
