PRIMARY BENEFITS

- Flavourful dose of Wild Orange, Clove, Cinnamon, Eucalyptus, and Rosemary essential oils.
- Provides a simple consumption method for dōTERRA On Guard.
- Convenient beadlets are perfect for travelling and on-the-go.

PRODUCT DESCRIPTION

dōTERRA On Guard Beadlets are an easy and convenient way to obtain the benefits of dōTERRA On Guard Essential Oil Blend. dōTERRA On Guard Beadlets provide a flavourful dose of dōTERRA's proprietary blend of Wild Orange, Clove, Cinnamon, Eucalyptus, and Rosemary, all contained in tiny vegetable beadlets that dissolve in the mouth.

USES

- Consume in the wintertime, while travelling, or when around large groups of people.
- Dissolve one to two beadlets after eating.
- Keep this convenient beadlets in your purse or travel bag for added support on-the-go.

AN ON-THE-GO ESSENTIAL

One of the biggest advantages of dōTERRA On Guard Beadlets is that they provide a simple, convenient way to enjoy all the benefits of dōTERRA On Guard Protective Blend, at home or on-the-go! Make sure to keep some in your car, travel bag, purse, or child's backpack.

DIRECTIONS FOR USE

Consume up to 5 beadlets daily.

CAUTIONS

Keep out of reach of children. Do not exceed recommended daily dose. Food supplements must not replace a varied and balanced diet and healthy lifestyle. Pregnant or nursing women and people with known medical conditions should consult a physician before using. Keep tightly closed and store in a cool place.
