

PB Restore™

Food Supplement with live bacterial cultures and Fructo-oligosaccharide

dōTERRA™ | EUROPE

PRODUCT INFORMATION PAGE

CPTG™

Ingredients: Stabilizer (Glycerin), Capsule (Hydroxypropyl methylcellulose), Fructo-oligosaccharide, Bulking agent (Microcrystalline cellulose), Stabilizer (Silicon dioxide), Lactobacillus plantarum 14D, Bi do bacterium animalis ssp. lactis BLC1, Stabilizer (Guar gum), Lactobacillus rhamnosus SP1, Lactobacillus paracasei IMC502, Lactobacillus paracasei NTU-101, Lactobacillus rhamnosus IMC501, Bi do bacterium breve Bbr8, Lactobacillus acidophilus LA1, Lactobacillus paracasei BGP2, Lactobacillus rhamnosus LB21, Lactobacillus rhamnosus CRL1505 heat-inactivated, Bi do bacterium animalis ssp. Lactis Bi1, Lactobacillus acidophilus LA3, Lactobacillus brevis SP48, Lactobacillus delbrueckii ssp. Lactis LL82, Lactobacillus rhamnosus CRL 1505, Pediococcus acidilactici SP29, Glazing agent (Magnesium stearate), Bi do bacterium bi dum SP9, Lactobacillus casei BGP93, Lactobacillus fermentum CS57, Lactobacillus helveticus SP27, Lactobacillus reuteri LR92, Lactococcus johnsonii SP72, Color (Sodium copper chlorophyllin), Bi do bacterium longum ssp. Infantis SP37, Bi do bacterium longum ssp. Longum SP54, Lactobacillus crispatus SP28, Lactobacillus delbrueckii ssp. Bulgaricus LB2, Lactobacillus gasseri SP33, Lactobacillus salivarius SP2.

PRODUCT DESCRIPTION

PB Restore is formulated as a foundational supplement to benefit your body. Enclosed in a dual-chamber capsule, it features 30 bioactive prebiotics, probiotics and postbiotics components. Each capsule delivers a potent 18 billion live cells at the time of use. Employing advanced encapsulation technology, the outer capsule safeguards the prebiotic and postbiotic, while the inner capsule, released over time, contains 28 probiotic strains. This innovative double-layer capsule system shields the bioactive cultures from the harsh stomach environment, ensuring the optimal delivery of their active benefits.

USES

- Although a wonderful addition to your routine, food supplements must not replace a varied and balanced diet and healthy lifestyle.
- Read all caution and warning statements before use.
- Do not exceed the recommended dosage.

DIRECTIONS FOR USE

Take 1 capsule daily, just prior to a meal.

CAUTIONS

Keep out of reach of children. Do not exceed recommended daily dose. Food supplements must not replace a varied and balanced diet and healthy lifestyle. Pregnant or nursing women and people with known medical conditions should consult a physician before using. Store in refrigerator after opening.

PRIMARY BENEFITS

- Provides a unique formulation of 30 prebiotics, probiotics and postbiotics.
- Contains 28 probiotic strains different to PB Assist+™.
- Includes essential prebiotic fructooligosaccharide (FOS), a naturally occurring carbohydrate that selectively promotes the growth of beneficial bacteria.
- Provides colony-forming units (CFUs) of probiotics, featuring a diverse range of 28 active cultures carefully selected from 20 different species, ensuring exceptional microbial diversity.
- Unique double-layer capsule technology protects the bioactive cultures from the harsh environment of the stomach, delivering their active benefits.
