 Refreshing and powerful flavour addition to smoothies, cakes and desserts.

#### PRODUCT DESCRIPTION

Consistently one of dōTERRA's best sellers, Peppermint is always a useful oil to have on hand. Peppermint adds a refreshing, minty taste to desserts, beverages, smoothies, and even savoury dishes. A high menthol content – like that found in the dōTERRA Peppermint essential oil – distinguishes the best quality Peppermint oil from other products. Peppermint is also frequently used in toothpaste and chewing gum for oral care.
