

Pore Reducing Toner

dōTERRA™ | EUROPE

PRODUCT INFORMATION PAGE

PRIMARY BENEFITS

- Aloe, watermelon, and apple extracts tone and balance the skin.
- Rich in oligosaccharides, Lentil Extracts increase skin hydration, reduce the appearance of oily skin, tone the skin, and visibly reduce the appearance of pores.
- Witch Hazel is a natural astringent that helps remove excess oil from the skin and reduces the appearance of pores.
- CPTG essential oils of Lavender, Ylang Ylang and German Chamomile soothe skin.

PRODUCT DESCRIPTION

Formulated to visibly reduce the appearance of pores, dōTERRA Pore Reducing Toner contains CPTG essential oils of Lavender, Ylang Ylang, and German Chamomile to soothe skin. Additionally, innovative fruit and plant extracts tone and balance the skin, increase hydration, and support a healthy-looking complexion.

USES

- For a balanced complexion, incorporate the Pore Reducing Toner into your regular skin care routine.
- For best results, use the Pore Reducing Toner in the morning and at night.
- Transfer the toner to an empty glass spray bottle to turn it into a face mist, perfect for an on-the-go glow!
- Use in conjunction with other products from the dōTERRA Essential Skin Care line for the best results.

DIRECTIONS FOR USE

After cleansing, lightly apply to face and neck using cotton pad. Avoid contact with eyes.

CAUTIONS

For external use only. Avoid direct contact with eyes. If skin irritation occurs, discontinue use.
