PRODUCT DESCRIPTION

RevitaZen+ is a clean, clearing supplement, readily available in dual-chamber capsules for easy consumption and targeted release. Overload and buildup aren't felt overnight; they're a slow, silent strain on the body, forming tension inside and resulting in poor health and wellness. Increasing awareness of exposure to daily pollutants calls for conscious change; that's why dōTERRA created RevitaZen+. A combination of Milk Thistle, Artichoke Leaf Extract, Black Cumin Seed Oil and Cumin essential oil provides core constituents, including silybin, thymoquinone, cynarin, caffeoylquinic acids and cuminaldehyde in conjunction with RevitaZen Restart Blend, for a comprehensive source of botanicals and essential oils to aid the body's natural filtration. RevitaZen+ was developed to work with your body, not against it, so it can do what it's made to do: filter, refine and clean without disruption.

USES

- Although a wonderful addition to your routine, food supplements must not replace a varied and balanced diet and healthy lifestyle.
- Read all caution and warning statements before use.
- Do not exceed the recommended dosage.

DIRECTIONS FOR USE

Take 1 capsule per day with food.

CAUTIONS

Keep out of reach of children. Do not exceed recommended daily dose. Food supplements must not replace a varied and balanced diet and healthy lifestyle. Pregnant or nursing women and people with known medical conditions should consult a physician before using. Store in a cool, dry place.

PRIMARY BENEFITS

- A comprehensive, clinical-grade formulation designed to help promote key body filtering system performance.
- Your complete plant-based solution to harsh and complex regimens, promoting inner, system-wide support.
- Gentle and effective; made to work with the body, not against it.
- No chemical enhancers and no synthetics, just clean, quality botanicals and essential oils in one harmonised formula.
- Rich in core constituents, including silybin, thymoquinone, cynarin, caffeoylquinic acids and cuminaldehyde.
- 30 Dual Chamber Capsules
- **Milk thistle (Silymarin) Seed Extract**
 - Supports liver and bile health, the liver function, so it helps to eliminate the toxic substances from the body.*
 - Milk thistle extract supports liver health and contributes to normal regeneration of hepatic tissue and hepatic cells.*
- **Vitamin E (Tocopherols, Tocotrienols)**
 - Vitamin E contributes to the protection of cells from oxidative stress.
