Siberian Fir
Abies sibirica 15 ml

Product Description
The Siberian fir tree is a tall, light-in-color conifer tree native to Russia and Canada. Siberian Fir essential oil has a refreshing, woody scent that is known for its calming and relaxing properties. Siberian Fir has a unique chemical composition that is predominately bornyl acetate, which provides a majority of the easing benefits of this essential oil. Siberian Fir can be very soothing to the skin, making it an ideal essential oil to add to a comforting massage. Siberian Fir can help promote feelings of easy breathing, while calming the emotions and providing a grounding effect.
