

# dōTERRA™ SPA Hydrating Body Mist

dōTERRA® | EUROPE

PRODUCT INFORMATION PAGE

## PRODUCT DESCRIPTION

Feel completely hydrated all over your body with the dōTERRA Spa Hydrating Body Mist. The benefits of dōTERRA Beautiful Captivating Blend combine together with the nourishing properties of coconut, sunflower, avocado, and passion fruit. This hydrating mist will help improve the overall appearance of healthy-looking and radiant skin.

## USES

- Apply to exposed skin to keep your skin soft and supple throughout the day, keeping your legs looking smooth and silky while wearing shorts or a skirt.
- Freshen up before a date, an event, or a meeting with a quick, fragrant spritz of Hydrating Body Mist.
- After bathing or showering, spray your body with this fragrant mist to lock in moisture and enjoy instant aromatic benefits.
- Apply to your whole body with ease thanks to the Hydrating Body Mist's airless 360 degree application ability.

## KEY INGREDIENTS AND BENEFITS

- Provides the uplifting and energising benefits of CPTG™ Beautiful Captivating essential oil blend.
- The oils of Sunflower, Avocado, and Passion Fruit help soothe, soften, and hydrate skin for an overall healthy glow.
- Caprylic/Capric Triglyceride (coconut derived), conditions and maintains the skin's natural barrier.
- Helps skin feel clean and nourished with it's refreshing scent.

## DIRECTIONS FOR USE

Mist over the entire body after bathing or anytime during the day for an uplifting boost.

## CAUTIONS

For external use only. Avoid contact with eyes. Not recommended before extended UV exposure.
