PRODUCT DESCRIPTION

dōTERRA is the first to combine Turmeric essential oil and Turmeric extract in a specially-designed, dual-chamber capsule. By bringing together the Turmeric essential oil and the Turmeric extract, the effectiveness of each component is maximised. The result is a revolutionary product of bioactive plant compounds, creating a uniquely powerful synergy of turmerones and curcuminoids. Available in a convenient, ingestible format, each capsule contains 2 drops of Turmeric essential oil.

USES

- Although a wonderful addition to your routine, food supplements must not replace a varied and balanced diet and healthy lifestyle.
- Read all caution and warning statements before use.

DIRECTIONS FOR USE

Take 2 Capsules per day.

CAUTIONS

Keep out of reach of children. Do not exceed recommended daily dose. Food supplements must not replace a varied and balanced diet and healthy lifestyle. Pregnant or nursing women and people with known medical conditions should consult a physician before using. Not recommended for children under 12. Consult your physician or pharmacist if you are taking concomitant anticoagulant medications. If you take medicines, you should seek the advice of your doctor. In case of alterations of liver function, biliary function or gallstones, the use of the product is not recommended. Store in a cool, dry place.
