PRIMARY BENEFITS

- Provides a warming, musky aroma that entices and intrigues the senses when applied topically.
- Whisper Touch contains essential oils of Ylang Ylang, Jasmine and Patchouli in a base of Fractionated Coconut Oil.
- When applied to the skin, the warm, soft, floral scents are complimented by powerful and dynamic essential oils such as Rose, Hawaiian Sandalwood, and Bergamot.

*Naturally occurring oil compounds.

PRODUCT DESCRIPTION

With an aroma as soft and warm as its name, dōTERRA Whisper Touch creates a uniquely personal fragrance with a diverse blend of essential oils. Each essential oil in the blend provides an inviting aroma of its own, but when combined, these oils offer a distinct scent that intrigues the senses of both the wearer and those passing by. Regarded as the most precious flowers in the perfume industry, Jasmine and Ylang Ylang's euphoric, floral aromas combine with the warm and spicy scents of Patchouli, Vanilla, Cinnamon, and Cocoa to create a blend unmatched in complexity and aromatic influence. Take with you wherever you go and apply with ease using the convenient roll-on applicator.

USES

- Apply to wrists, back of neck, and pulse points for a distinct and individual fragrance.
- After a shower, apply Whisper Touch to your wrists to create a unique and beautiful scent.
- Keep in your purse or backpack for easy access!
