

Start your year with a glō-up!

The glōPWR Challenge invites you to take on a simple and effective New Year's resolution that combines a multitude of benefits in just one drink. Here's how to join:

READY

Get your MetaPWR™ Advantage, MetaPWR™ Recharge and PB Assist+™ supplies.

SET

Mix one of each sachet in a glass with 500 ml of water.

GLŌ

Drink it once a day, every day, for 30 days!

GO THE EXTRA MILE

Commit to drinking **3 litres** of water every day. Add a drop of **Lemon** for extra benefits.

Inside the glōPWR Drink

MetaPWR™ Advantage

Combines marine collagen, NMN (Nicotinamide mononucleotide), and 10 other powerful ingredients to support structural integrity as you age.

MetaPWR™ Recharge

Promotes lasting hydration at a cellular level with a balanced electrolytes formula including ginseng root, baobab extract and a unique marine multi-mineral complex.

PB Assist+™

Provides essential support for a healthy gut microbiome delivering 7 billion AFUs (Active Fluorescent Units) per sachet.
