

UK MARKET CUMULATIVE ORDER LIMIT

Dear Leader,

In an effort to support the growth of dōTERRA Europe, we are constantly looking for ways to improve and secure the longevity of the company. As part of this effort, and to fall in line with current legislation, we will be updating some of our policies and procedures for the UK market.

Beginning on December 1st 2017, there will be a £200 cumulative order limit for the first seven days after enrolling as a Wellness Advocate. This will not affect Wholesale Customer registrations.

- During the Wellness Advocate enrolment process, a pop-up will display the new enrolee's personal information and will prompt them to verify whether or not the information is correct.
- Before finalising an order, the new enrolee will need to agree to the Terms listed on the pop-up.

You have entered the following information:

Name:	Tom Cruise	Email Address:	TomCruise@doterra.com
Address:	17 Gayfere St Westminster LDN SW1P 3HP	Phone Number:	44 (0)20 7660

Do you verify that this information is correct?

- Before clicking to submit, note this is the last page of the application process. Clicking to submit amounts to you signing this application form.
- It is illegal for a promoter or a participant in a trading scheme to persuade anyone to make a payment by promising benefits from getting - others to join a scheme.
- Do not be misled by claims that high earnings are easily achieved.
- If you sign this contract, you have 14 days in which to cancel and get your money back
- This Agreement is binding once you have clicked the SUBMIT button and you have received an acceptance email from the Company.

Please note, a Wholesale Customer can, as always, upgrade to a Wellness Advocate at any time. Providing 7 days has passed since their Wholesale Customer registration there will be no order value restriction.

We will also be updating the policies and procedures for existing Wellness Advocates. To agree to these changes a pop-up will appear next time you log in to your Virtual Office.

We are excited about the growth happening in Europe and are grateful for the part each of you play in it. Thank you for your continued support!

Sincerely,
dōTERRA Europe Management
