PRODUCT DESCRIPTION

We all know the protecting power of dōTERRA On Guard essential oil blend and the wonders it does for us in helping our families and homes with environmental threats. Sometimes we're on the go and wish that dōTERRA On Guard could be in a format that's handy, convenient, and easy to use. In other words, sometimes we wish we had a sanitizer with the added benefits of dōTERRA On Guard CPTG essential oils. Now we have dōTERRA On Guard Sanitizing Mist.

dōTERRA On Guard Sanitizing Mist purifies hands by eliminating 99.9 percent of bacteria and other germs on the skin through an extremely fine, quick drying mist. Infused with a natural apple extract, the moisturizing formula will not dry out the skin and leaves hands feeling soft and smooth. dōTERRA On Guard blend of Wild Orange, Clove, Cinnamon, Eucalyptus, and Rosemary CPTG[®] essential oils provides an uplifting citrus spice aroma and its protective benefits. The naturally derived active ingredient, USP Certified ethyl alcohol, gives the mist antiseptic properties to effectively cleanse hands and prevent the spread of bacteria. Sanitizing hands with the convenient mist is perfect for traveling, school, work, and on-the-go families.
