- + Contains moisturizing ingredients such as Squalane, Meadowfoam Oil, and Saccharomyces / Camellia Japonica Flower Ferment Filtrat to protect the skin while providing hydration.
- + In consideration of the environment, this container is made with glass and Green Nano materials

*Age-appropriate care

**Skin conditioning agent

Description

This cream provides moisture to the skin and has a close, comfortable fit, making it suitable for both morning and night use. With daily use, it protects the skin from environmental stress and dryness.

Natural origin index 99% (including water) - compliant with ISO 16128

Allergy tested (This does not guarantee that all users will be free from allergic reactions.)

Directions

After applying toner and serum, take an appropriate amount (about the size of a red bean) and gently apply it to your face and neck.

Cautions

For external use only. Avoid contact with eyes, if product gets into your eyes, rinse immediately. Discontinue use if skin irritation occurs. Do not use on broken skin or sensitive areas such as inside of ears. Store in a cool dark place, and out of reach of children.
