

MetaPWR[®] | Metabolic Assist

Dietary Supplement

Serving Size: one capsule | Servings Per Container: 30

Primary Benefits

- + May help release glucose more slowly and steadily which can lead to lower postprandial (after meal) blood glucose levels
- + May reduce the absorption of simple carbohydrates including sugar
- + May support a healthy metabolic profile
- + May contribute to healthy fat metabolism
- + Provides three times the active component 1-deoxynojirimycin (DNJ), typically found in mulberry leaf extract supplements

Description

MetaPWR Assist can be a powerful addition to a daily metabolic health regimen when taken daily before the largest meal of the day. Each capsule contains standardized mulberry leaf extract, berberine, cinnamon bark powder, and the proprietary MetaPWR[®] Metabolic Blend. Developed with dōTERRA clinical researchers, this blend uses a superior process to maximize the active component in mulberry leaf extract, 1-deoxynojirimycin (DNJ).

MetaPWR Metabolic Assist Dietary Supplement—part of the MetaPWR Metabolic System—is created to support healthy lifestyle regimens focused on increased energy and vitality, metabolic health, and weight management to add health to your lifespan.

+ No GMO	+ No Soy	+ No Preservatives
+ No Dairy	+ No Gluten	+ No Artificial Sweeteners or Flavors

Directions

Suggested Use: Take one capsule daily with at least 230mL of water, 15 to 30 minutes before your largest meal.

Cautions

Keep out of reach of children. If pregnant, nursing, diabetic, or under a doctor's care, consult your physician. Store in a cool, dry place.
