

Pink Pepper

Schinus molle 5 mL

dōTERRA®

PRODUCT INFORMATION PAGE

Application: **A** **T** **I** **N**

Plant Part: Fruit

Extraction Method: Steam distilled

Aromatic Description: Spicy, fruity, slightly woody

Main Chemical Components: Limonene,
 α -Phellandrene, Myrcene

PRIMARY BENEFITS

- Enhances food flavor
- Promote feelings of alertness

PRODUCT DESCRIPTION

The pink peppercorn, while similar in appearance to black peppercorn apart from the color, is closely related to cashews. The “molle,” or pink peppercorn tree, was considered a sacred tree to ancient Incans. Indigenous populations used all parts of the tree, including the pink peppercorn fruit, as herbal solutions to health needs. It is an ideal oil to cook with and enjoy both for its flavor and internal benefits.

USES

- Create a soothing massage by combining one to two drops with dōTERRA Fractionated Coconut Oil.
- Diffuse or inhale directly to promote feelings of alertness.
- Blend with citrus or floral oils to create an invigorating aroma.

DIRECTIONS FOR USE

Diffusion: Use three to four drops in the diffuser of choice.

Internal use: Dilute one drop in 4 fl. oz. of liquid.

Topical use: Apply one to two drops to desired area. Dilute with carrier oil to minimize any skin sensitivity. See additional precautions below.

CAUTIONS

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor’s care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas.
