Product Information Page

dōTERRA® SPA Hand & Body Lotion
6.7 fl oz / 200 mL

Primary Benefits

- + Promotes a customized aromatic experience when essential oils are added
- + Contains sunflower and macadamia seed oils to help skin retain moisture
- + Provides a non-greasy formula that absorbs quickly to help skin feel soft supple

Description

Indulge your skin in dōTERRA SPA Hand & Body Lotion—a light, non-greasy formula that contains jojoba and macadamia seed oils, murumuru and theobroma seed butters, and nourishing plant extracts. This lightweight lotion absorbs quickly to leave skin feeling silky soft and smooth. Ideal for both hands and body, this lotion pairs perfectly with essential oils, allowing you to create a personalized aromatic experience from head to toe.

Directions

Topical use: Apply generous amounts to hands and body to relieve dryness. Mix with the dōTERRA essential oil of your choice in the palm of your hand for a customized aromatic experience.
