

Yarrow | Pom

Cellular Beauty Complex Capsules

PRODUCT DESCRIPTION

Our bathroom counters are often cluttered with scrubs, masks, all kinds of brushes, and the latest homemade concoction. We're all after one thing: youthful, beautiful skin! Yarrow | Pom is the go-to for beauty from the inside out. This Nutritive Duo powerhouse inspired the Yarrow | Pom Cellular Beauty Capsule, a supplement packed with antioxidants for a convenient approach to your beauty routine.

When taken daily, these capsules help maintain skin's youthful appearance by combating oxidative stress. In addition to Yarrow essential oil and cold-pressed Pomegranate oil, the formula is enhanced by CPTG® essential oils including Celery Seed, Frankincense, Palmarosa, Turmeric, and Melissa. Important active ingredients include Grape Seed and Melon Extracts, as well as Zinc Citrate and Vitamin C. Vitamin C is vital in collagen synthesis.

The specially selected essential oils included in the Yarrow | Pom Cellular Beauty Complex soothe and protect tissue throughout the body. Grape seed extract provides antioxidants, helping protect against oxidative stress, and the tissue damage it can cause. Grape seed extract and Zinc Citrate help neutralize a broad range of free radicals, which can be detrimental to the health of our skin. Melon extract, with its antioxidant properties, enhances skin radiance to get that all-over glow. Vitamin C, necessary for the growth and development of all body tissues, is essential for collagen production, gives the skin a youthful look and feel by maintaining healthy skin and averting signs of premature aging.

This vegan-friendly complex may promote cellular function and rejuvenation. In combination with Yarrow | Pom Body Renewal Serum and Yarrow | Pom Active Botanical Nutritive Duo, this powerful three-tiered approach is outstanding for anti-aging, vitality, overall wellness, and skin health.
