

BOGO Rules and FAQs:

Members can buy any or all the BOGOs at the same time during the designated time frame, and only pay shipping once if it's in one order.

All BOGO purchases must be processed **immediately** as a Standard, LRP, or Enrollment Order.

Although the items can be saved on the LRP template, members will not be able to get the free item on a future date.

No BOGO orders via email will be accepted.

BOGO deals apply to Wellness Advocates, Wholesale Customers, and online Retail Customers.

The BOGO order should be prepaid with a Credit Card.

Unless otherwise specified, there's a **limit of Three (3) per account**, with each BOGO offer for members to earn free product either on the same or individual BOGO orders.

The BOGO items cannot be redeemed using points. Members can still earn points from these BOGO orders from their **LRP**.

All members must purchase the "Buy" item to qualify for the "Get Free" product, not the other way around.
