

## LRP Boost – Rules and Qualifications

- The offer is intended for wholesale customers and Wellness advocate who order loyalty reward program (LRP) at doTERRA Israel (OTG).
- The offer is intended for customers whose percentage accumulation in the LRP program is currently less than 20%.
- New members cannot place loyalty reward program order in the first month of registration.
- PV is not equivalent to the monetary amount. Before completing the order, make sure that the order contains at least 150 PV to be eligible for promotion.
- Orders placed outside of the qualifying time periods do not count toward the qualifying percentage increase. No exceptions will be made.
- Once the order has been placed, it cannot be changed, or combined with another order to be eligible for the promotion.
- If the order is returned, the member will no longer be eligible for the percentage boost.
